

Limited Warranty Details:

Trees, Shrubs, Perennials, and Ornamental Grasses will be covered for one year from the day of installation - cost of plant only - limit one replacement per plant. This does not include delivery, fertilizer, or labor to replant. The following is not included and will void the above warranty: insect damage, presence of any form of fungus post-planting, customer neglect, over / under watering, animal damage, weather extremes, or failure to pay in full as agreed.

Please Note: because sod is a perishable product, we are unable to offer any guarantee after it leaves our control. Any discrepancy in condition or quantity must be made within 24 hours of delivery or installation. Annual bedding plants, roses, vegetable plants, blue spruce trees, and sale plants are also not covered by the above warranty. This warranty is available only for plants that we install.
